EXPERIENCE.

Newdea, Englewood, CO

2008

In-house design for a company developing software tools aiding nonprofits, foundations and donors. Refining corporate branding, designing print & web components and revamping already-existing products.

Contact: Marny Burns, mburns@newdea.com.

Pixels & Ink, Alexandria, Virginia

Summer 2007

Functioned as a junior designer/intern, working on my own and with a small design team on all-play projects. Flash, InDesign, Freehand, preflight & printing techniques and dealing with clients.

Contact: Scott McLallen, scott@pixelsandink.com.

UTS Helpdesk, Penrose Library, Denver, Colorado

2005-2008

Malware Removal, Virus Removal, Software Assistance, Wireless/Printer Issues, in addition to campus-wide account support. Both over-the-phone and in-person consultations.

Contact: Andrea Jennison: ajenniso@du.edu.

Falls Church News-Press, Falls Church, Virginia

2001-2004

Designed website through two evolutions (<http://www.fcnp.com>). Paper layouts, Quark: Critter Corner, Display Ads, Calendar of Events; Ad designer: Quark + InDesign; Continued work on volunteer status.

Contact: Nicholas F. Benton: 703-534-3267

STATEMENT.

Unchecked innovation can be confusing and conventions can be tame. As both a new-media artist and a designer, my job is to create perfect harmonies—to balance form and function to create something not only elegant in its presentation, but inherent in its signification.

EDUCATION.

University of Denver, Denver, Colorado

Bachelor of Fine Arts in Electronic Media Arts & Design, June 2008. 3.72 GPA. Mac Donald Award for Outstanding Senior in Art, 2008.

George Mason High School, Falls Church, Virginia

Advanced Standing Diploma, with certificates in IBH Physics, IBH Art, IBH English, IB Psychology, AP Calculus.
